BCLP BENEFITS Q3 REVIEW: IRS, DOL, & PBGC GUIDANCE

Oct 29, 2020

In this edition of our newsletter, we have summarized key third quarter guidance from the Internal Revenue Service, Department of Labor, and Pension Benefit Guaranty Corporation. As we look back on the third quarter of 2020, there has been a noticeable shift at the federal level from a focus on guidance related to the COVID-19 pandemic and the Congressional response in the first half of the year to a return to executing the regulatory agendas of the federal agencies and the priorities of President Trump's administration. Despite this shift, federal agencies have continued to issue new, amended, or extended COVID-19 guidance as the circumstances of the COVID-19 pandemic continue to evolve. We have, therefore, included both COVID-19 and non-COVID-19 guidance in this newsletter and group the summaries by these categories.
