ARE YOUR OUTSOURCING CONTRACTS STILL HEALTHY IN A POST-PANDEMIC WORLD?

November 18, 2021

On Nov. 10, BCLP and Wavestone co-hosted a webinar providing insights on trending changes in outsourcing arrangements sparked by the global pandemic. The upheaval of “business as usual” has accelerated the already wide-scale deployment of new technologies to change how we’re doing business and reimagine our way of working. To keep up with this pace, third-party support is more critical than ever. But the competitive landscape, the contractual landscape, and the technological landscape have shifted.

Highlights included:

- A survey of COVID’s impact on the outsourcing industry
- Contract vital signs, including regulatory changes
- Emerging trends in deal structure, operational opportunities, and contractual terms
- Discussion on contractual relief

The program was presented by BCLP Technology and Commercial Transactions Partners Sean Christy and Marcus Pearl, and Wavestone Managing Director and Exec. Vice President, Strategic Growth Initiatives Sarthak Brahma.
